Video Savvy

Parelli just keeps on growing and every year there are record numbers of videos and DVDs sent in for coaching, help, levels assessments and/or resubmits. To aid in the process of video submissions, and to help avoid delays, ensure that you fill out this form completely, and **include this form with EVERY video or DVD you send in, along with your task sheet for the appropriate level.**

Please note that I can only assess Level 1 at this time.

Please contact me for current assessment rates prior to submitting your video. *Make your cheque payable to Geneviève Benoit.*

Fill out the assessment sheets and enter the same information below:

⇒ Your full name:

⇒ Your complete address:

⇒ Your horse's name:

⇒ Date:

Label the front of your video or DVD:

⇒ The sticker on the spine of the video or on the DVD (the one that shows when the video is in its box) should have your full name and what you are submitting.

⇒ Example: *Jane Smith – Level 1 Resubmits*

Please let us know...

- ⇒ List the task numbers in the order they appear on the video. If you show a task more than once, list the number more than once.

Keep it all together.

- ⇒ Fold and attach this letter and the assessment sheets to the video with a rubber band.

Videos and DVDs will not be returned so please ensure that you have made a copy for your records.

Thank you for taking the extra time to do this. It makes a huge difference to the person who is looking at your video, and will help speed up the assessment and coaching process.

Keep it Natural
