BORDER TOOLING Parelli Horseheads pattern. Choice applies to Natural Performer or Continental Roper only.

YES NO

If you prefer NO HORN on your Natural Performer saddle, check this box:

FENDER or English Leather Length will be assigned based on your INSEAM

Inseam Under 27" = XShort, 27" - 30" = Short, 30.125" - 33" = Medium, 33.125" - 36" = Long, Over 36" = XLong

IMPORTANT NOTE: Your leg/inseam measurement is extremely important, so please be certain of accuracy. If you wish to have stirrup adjustment options outside the standards outlined here, please see www.ParelliSaddles.com for maximum/minimums possible.

SEAT SIZES: Note different choices for WESTERN vs. ENGLISH

If you are in between sizes and/or have large thighs/buttocks we generally recommend going to a larger size seat, so that you don't feel restricted in any way. Long legs also often need larger seat size, so that knee doesn't project too far forward and restrict natural angle/access to your balance point.
